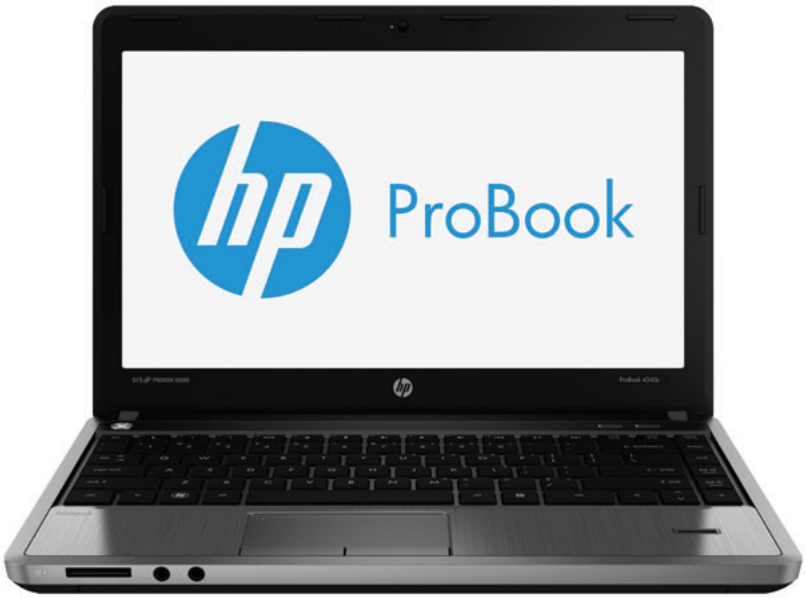
HP ProBook 4340s Notebook PC

Your Business Partner. Optimized for Windows 8 Pro, this thin and light laptop is ideal for SMBs. It features a 33,8 cm (13.3") diagonal HD[1] display, multimedia tools, easy-to-use security, an aluminum casing for exterior protection and discrete graphics[2].



HP recommends Windows.

Protection inside and out.

Carry your HP ProBook 4340s to meetings around town and across the nation. With a 33,8 cm (13.3") diagonal HD[1] display, its thin and light design makes it easy to grab and go.
The aluminum casing offers extended durability to keep up with mobile use. The smudge-resistant and wear-resistant HP DuraFinish keeps the metallic gray color looking polished.
The spill-resistant keyboard helps protect sensitive electronics and key components from minor spills with a thin layer of Mylar film under the keyboard.
Accidents happen. HP 3D DriveGuard[3] helps protect your laptop's hard drive against impact, bumps and drops so your data has enhanced protection.
Easy-to-use yet robust security features safeguard your data from unauthorized users. From requiring a fingerprint swipe to Face Recognition[4], your notebook is protected.

Accomplish more with the right business tools.

Add edge to your presentations and documents. Incorporate colorful visuals with the discrete graphics on your notebook.
Play, edit and produce video and audio files with ArcSoft Total Media Suite.

Mix business with pleasure.

Watch training videos at work and enjoy your favorite flicks at home – all thanks to the pre-loaded multimedia software. Use the HDMI port to plug into a large display at home, while running a movie downloaded to your notebook[5].
Face time counts. Gain enhanced communications with on-board HD Web Cam[6] for HD video and videoconferencing. The ArcSoft Total Media Suite can also be used to initiate your webcam and do personal photo editing and video recording.
After a long day at work, relax to crisp tunes coming directly from your business notebook and SRS Premium Sound.

HP ProBook 4340s Notebook PC

HP recommends Windows.

Accessories and services (not included)

HP Mobile USB NLS DVD-RW Drive

The HP Mobile DVD RW provides an external companion optical drive to accompany a laptop or mini that does not have an internal drive. The external drive provides CD/DVD support as well as Read/Write functionality. It connects to the computer through the USB 2.0 port, and an AC adapter is included.
Product number: A2U57AA

HP Notebook Combo Lock

Secure your notebook and docking station with the HP Compaq Notebook Combo Lock.
Product number: AY475AA

HP 65W Slim Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. X3 Full compatibility depends on platform configuration. If 90W or higher is required note that the notebook will be powered when using basic applications and/or for charging. Performance delays may occur on specific platform configurations if lower than original power supply is used.
Product number: AX727AA

HP 4 GB PC3-12800 (DDR3 1600 MHz) SODIMM

Optimize your HP Business Notebook performance with HP 4 GB PC3-12800 (DDR3 1600 MHz) SODIMM memory.
Product number: H2P64AA

3-year Next Business Day Onsite

Care Pack

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
